Michigan Geographic Framework (MGF) is a project of the Michigan Department of Transportation (MDOT) and the Michigan Department of Natural Resources (MDNR). It is a collaborative effort to create a consistent and accurate geographic framework for Michigan. The MGF is a public domain resource and may be reproduced, reprinted, and redistributed as desired. For more information, visit [www.michigan.gov/mgf](http://www.michigan.gov/mgf).

| Legend                  |                         |
|-------------------------|-------------------------|
| School District         | Unincorporated Place    |
| County                  | School                  |
| City                    | Water Feature           |
| Township                | River, Stream, or Drain |
| Village                 | Railroad                |
| Census Designated Place | Freeway                 |
|                         | Highway                 |
|                         | Primary Road            |
|                         | Local Road              |
