All information presented in this publication is in the public domain and may be reproduced, reprinted, and redistributed as desired.

Michigan Geographic Framework (MGF) is a project of the Michigan Department of Transportation (MDOT). It is a collaborative effort between MDOT and other state agencies to create a consistent and accurate geographic information system for Michigan. The MGF is a public domain resource and is available for use by anyone. For more information, please visit [www.michigan.gov/mgf](http://www.michigan.gov/mgf).
