Information provided is accurate to the best of our knowledge and is subject to change on a regular basis. While the DTMB and its data providers make efforts to provide useful and accurate information, we do not warrant the information to be authoritative, complete, timely, or suitable for your intended use or on "as is" and on "as available" basis. The State of Michigan disclaims any liability, loss, injury, or damage (direct or consequential) incurred by the user(s) resulting from the use and application of any of the contents of this map.

Please feel free to contact the DTMB with questions regarding the boundary mapping process. However, it is important to note that the DTMB does not act as the official authorities in determining school district boundaries. If you believe that there may be an error or a boundary change please contact the appropriate school district for clarification and possible resolution. The DTMB will welcome the opportunity to incorporate authorized boundary changes into our map information when received.
